

A.L. Gullison Ltd. was started by Larry Gullison in the 1994. Its main focus was building renovation, commercial construction and insurance restoration.

In 2006 Derek Gullison returned from Nova Scotia and the company redirected its focus into separate divisions, Insurance restoration and commercial project management and construction.

With the shift into insurance restoration A.L. Gullison Ltd. joined Disaster Kleenup Canada and became a full service insurance restoration contractor providing emergency response, reconstruction services, contents assessment and cleaning.

A.L. Gullison Ltd and Disaster Kleenup (now A.L. Gullison DKI) handle claims in all sizes and complexity from small water damage claims to multi story condominium fire and water damage claims involving both tear out and drying to odor control and reconstruction.
